Save the Date: Town Hall

Sunday, April 26

Thank you to all who joined with our vestry leaders at this past Sunday's Town Hall that followed the 10:30 service. We thanked the St. Paul's members who participated in the Good Shepherd and St. Paul's Exploratory Committee. We shared the Vision Statement and Recommendations that resulted from their work. We took initial questions, and then met in small groups with pairs of vestry members to hear your initial impressions and questions.

The vestry will hold another Town Hall-style gathering on Sunday, April 26th, following the 10:30 service, to hear more from you. Our aim is for the vestry to be ready to determine if and how we commit St. Paul's to some or all of the recommendations at their May meeting.

New Date:

Caring Together for Creation in 2026

Sunday, May 3, Noon - 1:30
in the Great Hall

You are invited to join St. Paul's Earth Care team as we roll out plans for 2026. Our agenda includes sustaining the native garden and further incorporating it into worship and outreach; helping parishioners evaluate ways to care for the Earth as individuals or families; participating in ecojustice work by local partners, the Diocese and the national Church; and incorporating eco-theology into worship. Come hear details about these plans, share perspectives, questions, and ways to get involved. All ages are welcome!

Reducing Printed Materials

As part of our commitment to caring for our environment, we're working to reduce printed materials. Those who would like to participate are encouraged to bring a tablet or iPad to worship and access the worship documents through the PDF version available on our website or from our Friday email. Please watch for additional details, and feel free to reach out to the church office with any questions.
