Conversation with the Wardens in the Nave

Sunday, May 10 after 8:00 a.m. service

The St. Paul's Wardens will host a discussion of the Vision Statement and Recommendations from the Good Shepherd and St. Paul's Exploratory Committee directly after the 8:00 a.m. worship service on Sunday, May 10, in the Nave. We want to hear from interested St. Paul's members as we discern our congregation's path forward as the Vestry responds to these recommendations. Please gather in the Nave after worship concludes to ask questions and share thoughts.

Help with Pentecost Sunday

Lois Kwantz is looking for parishioners who would be willing and able to read the Acts 2: 1-2 lesson on May 24, Pentecost Sunday in a foreign language that they speak/or read. I am looking particularly for German and French at the 8:00 a.m. service. I do have Russian and Greek covered. If you speak another language, please let me know. The more, the merrier. Right now, the 10:30 a.m. service is wide open, except for German. You will be reading simultaneously with everyone so that we can create what Pentecost sounded like when the disciples were preaching to people who heard them in all the different languages that they spoke. We will have copies of the reading in the language of your choice. We already have Russian, Italian, French, German, Greek in our files and can make available other languages as well.

Reach out directly to Lois Kwantz or to our office if you are able to help.
