Sacred Ground Groups are Now Enrolling for Fall 2023!

About 150 people from St. Paul's and the greater Brunswick area have now participated in the Sacred Ground program of conversations about race and racism. The feedback has been that it is an eye-opening and deeply moving experience. Accordingly, we hope to begin several new circles this fall. Circles consist of 6-8 participants and two trained facilitators, and meet together over eleven sessions to discuss films and other materials, creating a space conducive to honest sharing and deep listening. We offer circles both in-person and on Zoom, and we make the schedule based on participant availability. Sacred Ground is for anyone who wants to understand racism more clearly and envision how we might move forward in a different way. Please join us!

Tedford Housing Expanded Emergency Housing Project Update

Tedford Housing, Inc. has recently purchased property on Thomas Point Road near Wal Mart and is developing plans for an expanded building that will house 64 people including families in apartments and social services on site. I serve on the board and am aware that I serve in the shadow of many people from St. Paul's who volunteer regularly to support Tedford Housing. St. Paul's members have served on the board as well, Andree Appel, President, and the Rev. Dan Warren. St. Paul's gives generously from proceeds of the Christmas Fair every year and was one of the founders. FMI contact me or visit <https://tedfordhousing.org/newbuilding/>

We give thanks to an anonymous donor who named one of the Adult Shelter rooms for St. Paul's Church.
